Barrowfield View is a private development of 11 townhouses located just 300m from Tolcarne beach. A popular residential development equidistant between Newquay Town and Chester Road shopping complex. The property is nestled within all the local amenities and close to highly-regarded Primary and Secondary schools.

The property is accessed via a private brick-paved road, offering convenient parking to the front. The hallway entrance features a staircase ascending to the first floor, with understairs storage cupboard, and provides internal access to the garage, which has been subdivided into two sections, practical for storage, but this could easily be changed back into a garage to provide additional parking.

The ground floor includes a bedroom with French doors opening directly onto a sunny, private rear garden. A useful utility room and shower room are also located on this level.

On the first floor is a bright, dual-aspect open-plan kitchen, lounge, and dining area, with patio doors leading to a small rear-facing balcony over looking the rear garden.

From the first floor landing, the staircase ascends to the second floor, to the two further bedrooms. The main bedroom overlooks the rear and benefits from built-in wardrobes and an en-suite shower room. The front aspect bedroom includes two integral cupboards and enjoys some sea glimpses. An additional shower

room and the airing cupboard housing the gas fired boiler are also located on the top floor.

**TENURE**
