Quintrell Downs is a popular residential village situated around 2–3 miles inland of Newquay. It is within walking distance of the growing Duchy of Cornwall's Nansledan development, which offers a variety of independent shops, cafés, and local businesses and primary school. At the same time, it remains conveniently close to Newquay's beaches and town centre amenities, well-regarded secondary schools and with Newquay Airport just a 15-minute drive away.

The property offers exceptionally generous and versatile living accommodation, with an impressive feature entrance hall providing access to the main reception rooms. These include a dual aspect sitting room with a woodburning stove, a separate dining room opening through to the conservatory, and a well-proportioned kitchen/dining room with a door leading to the utility room, ground floor WC, and integral access to the extended garage. A ground floor bedroom, which could equally serve as another reception room, is also accessed from the hall.

To the first floor are two double bedrooms, including a principal bedroom with en-suite facilities, together with a further single bedroom/office and a family bathroom fitted with a full-length bath and separate shower cubicle.

Externally, the property benefits from a paved driveway to the front, providing off-road parking for multiple vehicles and leading to the garage. The fully

enclosed rear garden features a paved seating area adjoining the conservatory, opening onto a level, shaped lawn bordered by well-stocked flower beds, with pedestrian access to both sides of the property.
