Jenkins Court is located off a quiet residential road just a 2 minute walk from the centre of Newquay Town. Mainly used by residents only, the street offers an unusually quiet location for such a central position. Newquay Town with its vast selection of independent Cafes, Coffee Shops and Bars, improved transport links via the A30 and Newquay Airport, as well as the flexible modern nature of working, has led to an increased number of families moving to the area to enjoy the natural beauty of the coastline on the doorstep.

From the main street, a small lane provides access to the covered parking space and further to the block entrance at the rear of the building. 2 internal stairwells provide access to the first floor flat.

Upon entry, the entrance hallway provides access to all rooms and also houses a large cupboard with the pressurised water cylinder. The open plan lounge/kitchen/diner has a good range of floor and wall mounted gloss fronted units under a wood block effect worktop. The rest of the lounge enjoys views out of a large bay window of Towan Headland with the Atlantic Hotel in the distance. The 2 bedrooms easily accommodate double beds with room for wardrobes. The bathroom is floor to ceiling tiled with a full length bath and shower over, and a vanity unit holding the basin and concealed cistern sink.

The development benefits from a communal laundry room on the ground floor for use of residents only.
