Lanhenvor Avenue is a quiet residential road just a 2 minute walk from the centre of Newquay Town. Mainly used by residents, the street offers an unusually quiet location for such a central position. The property is ideally positioned to enjoy the facilities and transport links that Newquay Town offers, with a large number of families moving to the area to enjoy the natural beauty of the coastline on the doorstep.

From entering into the property the original tiles provide a touch of character immediately. This continues to an engineered Oak flooring running through the rest of the hall and into the kitchen. To the front, there is a separate lounge with a large bay window with a separate dining room moving further back. To the rear of the property is a modern kitchen with a range of wood grain effect shaker style kitchen units with modern tile and glass splashback surround. There is also a rear door providing access to the small rear courtyard and access to the path to the side of the property.

To the first floor are 2 generous double bedrooms both with a decommissioned but original fireplace and surround with a small single third bedroom. The large family bathroom is located to the rear of the property with a modern white bathroom suite, stainless steel towel rail and a grey granite effect tile where required.
