THE PREMISES

The seated restaurant can accommodate up to 30 covers with additional partly covered outdoor patio seating on the highly visible corner in this busy location with plenty of passing customers. The business opportunity is of an ideal scale to be operated by a limited number of staff, or perhaps a husband and wife team working for themselves. This sale is not a business transfer, no accounts are available for the existing business and the trading name is also not included. This is a VACANT AND EQUIPPED CAFÉ BUSINESS OPPORTUNITY. A new owner could open any form of food outlet with flexible opening hours to take full advantage of this premier trading location.

THE LEASE

The property is held on an assigned 6 Year lease from 20th September 2022 with an Annual rent of £16,000, exclusive of business rates (no VAT payable on rent). The current lease runs up to the 19th September 2028. The lease is a full repairing and insuring lease so the tenants are responsible for the annual buildings insurance payment and to keep the property in good repair throughout the term of the lease. The incoming tenant will be required to pay a rent deposit of £8,000 which will be held in a client account in the event of any late rent payment or arrears, but will be returned in full at the satisfactory conclusion of any lease agreement provided the rent has been paid in full and on time. The lease is outside the landlord and tenant act. Any prospective tenant will need to be approved by the landlord, having completed referencing and credit checks. THE LANDLORD WILL CONSIDER A BRAND NEW LEASE OR A LEASE EXTENSION TO EXTEND THE TERM OF THE LEASE FOR THE NEW TENANT.

FIXTURES, FITTINGS AND EQUIPMENT

The property is being sold “as is” and fully equipped to trade as a café (with the exception of the coffee machine which is on lease). All of the equipment therein including the commercial kitchen equipment, extraction, servery, chairs, tables, dishwasher, ice maker and milk shake maker, fridges, freezers, pots and pans etc. are all included in the sale (inventory available upon request). The equipment is fully functional but none of the equipment is warranted or tested so there are no onward guarantees as to the suitability or condition of the equipment therein. All the equipment apart from the coffee machine is owned by the current owner and nothing is held on lease or loan. The premises are licensed for on and off sales, for the current business operator.

THE LOCATION

Little Italy is in a coveted position on the Red Lion roundabout with sea views and considerable passing traffic/pedestrians heading to Fistral Beach. The property is a short walk from the Town Centre.

THE PREMISES

The front forecourt sits on the corner directly on the Red

Lion roundabout with lovely sea views having a customer front door with a bar seating view window leading into the main open café area with further windows onto Tower Road. The open food/drink servery sits at the back of the café area. Steps lead up to a staff WC and into the main kitchen, which in turn leads to the rear wash up area. Rear doors lead out onto a small outside area for commercial bin storage.
