The property occupies a private and peaceful plot immediately behind the Boating Lake and Trenance Gardens with lovely views over the mature trees and lake.

The ground floor features an entrance hall, a wc and a useful utility room along with the former integral garage which has now been converted into more of a useable room with front glazed double opening doors and insulation, so it can be used as an office or similar if required.

The first floor has been opened up with more of an open plan feel incorporating a kitchen/diner and lounge opening up into the lake view conservatory and onto the front sun balcony. Doors to the side and rear provide access to the tiered rear garden. The top floor has a recently re-fitted bathroom and the three bedrooms. The property has a private brick paved driveway to the front offering parking for 2 vehicles.
