Wych Hazel Way is regarded as a very popular residential suburb of Newquay Town and enjoys an elevated plot with reaching views overlooking the estuary at Trevemper. Popular for being a quiet residential location, the position is also great to walk to Newquay Town Centre, The Boating Lake, River Gannel and local primary schools.

From Wych Hazel Way, the property enters onto a driveway suitable for 2 cars to park off-street in tandem. There is also a lawned front garden with mature hedging surround.

Upon entering the bungalow there is a small entrance vestibule which leads further to an entrance hall which provides access to all rooms.

To the left are 2 double bedrooms both fitted with double wardrobes in addition to the room measurement. The front bedroom benefits from a nice outlook over the neighbouring properties and towards the estuary, whilst the back has a large patio door and window unit which opens onto the rear garden. To the right is the separate lounge with original fireplace and kitchen. The kitchen has a very serviceable range of floor and wall mounted units and recesses for modern white good appliances.

The old rear door from the kitchen now leads onto a sun room and single blockwork garden room which provides access to the rear garden. The attached garage has a rear door and is much longer than a standard garage providing enough room for a car whilst having ample storage to the rear or potential for an external utility room.

The rear garden is a real feature of the property. Mainly laid to lawn and split on 2 levels, thanks to low rise neighbouring buildings it enjoys the full days sun.
