Description

Like a boutique hotel, the Chester Collection townhouses offer the amenity of a dedicated on-site porter/concierge, providing residents with a range of services including handling deliveries and collections, maintenance and organizing transportation. The house has an underground parking bay with direct internal access into the property, providing residents with total privacy and additional security. The house offers an abundance of luxurious living space over four floors comprising lower ground, ground and two upper levels. Inside the generous ceiling heights, large open living spaces and full height windows provide an exceptionally bright and airy ambiance. This outstanding 4 bedroom townhouse, benefitting from the amenities of the Little Chester Collection, is a unique and rare rental opportunity, with over 3000 SQ FT with a double reception room, dining room, two terraces and a patio.

: Double Reception Room : Dining Room : Beautifully Fitted Kitchen : 4 Bedroom Suites : Guest WC : Utility Room : Terrace : Store Room : AC : Secure Parking With Direct Access : Day Porter
