TO LET - A prominently positioned end-terraced two storey retail building which was previously occupied by Burger King. The property is suitable for its existing hot food takeaway use, however, has potential for a variety of other retail / commercial uses subject to receipt of planning permission.

LOCATION

The property is located on Bedford Street which is the main retail area serving North Shields. Lying opposite the Beacon Shopping Centre and its substantial car parking facility the property forms part of a terrace block including both Costa and Iceland. Immediately to the rear of units is the newly developed North Shields Transport interchange providing public transport connections to the Tyne and Wear Metro System along with a number of Bus routes.

The property forms part of the North Shields Action Zone which is aimed at transforming the town centre and riverside into an environment which more people choose to live, work and spend leisure time. Improvements on Bedford Street in the form of new paving, planting of mature trees and the introduction of additional seating areas form part of this plan.
