EXTERIOR

Rear Garden

The rear garden has been sympathetically landscaped to provide various areas of interest. From the conservatory and rear doors, a patio area provides room for seating and has been planted with various fruit bushes and plants. From here, you access the

main lawned area, with raised planter, Koi pond, an array of bed planting and path leading to a rear patio area which is used for shaded seating under the mature Silver Birch tree. There is an additional small pond, storage shed (housing plant for the main pond) and access gate to rear.

Garage, Driveway & Parking

Due to the property being set back from the road, the driveway offers extensive parking to the front, and leads to the single integral garage with up and over door, plus a lawned area to side.
