

An aerial photograph of a two-story house with a white upper floor and a red brick lower floor. The house has a dark blue tiled roof with two chimneys. It is surrounded by lush green fields and mature trees. A red car is parked on a gravel driveway to the left of the house. In the background, there are rolling green hills and a line of trees under a clear blue sky.

Paul Mason Associates

Paul Mason Associates are delighted to offer for sale this delightful detached family home built in 1927, which has been much modernised and sympathetically extended by the present sellers in 2021. The property is situated in a highly desirable secluded and private location, with stunning views over nearby countryside. The property has a semi-rural location that blends the best of both worlds with fast access to the A12 and three London mainline train stations of Hatfield Peverl, Witham and Beaulieu Park all within 10 minutes drive. The charming historic market town of Maldon is just 10 minutes away.

Internally the accommodation is finished to a high standard throughout, with the hub of the home being the wonderful bespoke solid wood 36'2 x 15'4 x 13' kitchen/dining/family room supplied by Blackstone Kitchens and with Terrazzo tiled splashback, sourced from Italy. To the ground floor there are two further well proportioned reception rooms, along with a Bespoke utility room and modern cloakroom/WC.

To the first floor the master bedroom boasts a modern ensuite shower room, vaulted ceiling with exposed Oak beam, air conditioning unit and French doors with splendid far reaching views. There are also three further good size bedrooms, along with with a modern family bathroom. Both the ensuite and family bathroom also benefit from having underfloor heating.

The property sits on a well maintained plot approaching half an acre, with mature hedging to boundaries offering a rare level of seclusion. The property is set well back from the road with a stoned driveway leading to a large parking area. The driveway features a large shed with concrete base and mains electricity, which would make ideal conversion to an office or similar if required.

An internal viewing is strongly advised for this wonderful family home offering ideal space for the growing family.
