No Onward Chain....Occupying an appealing position within the sought-after waterside village of St Lawrence, Essex, this well-presented three-bedroom detached bungalow offers generous single-storey accommodation and attractive views towards the River Blackwater.

Extending to approximately 924 sq ft, the property is centred around a spacious reception and dining room, providing an inviting setting for both everyday living and entertaining. This leads through to a generous conservatory overlooking the rear garden, while the fitted kitchen offers ample storage and preparation space.

The accommodation also includes three bedrooms, offering flexibility for family, guests or home working, together with a family bathroom featuring both a bath and a separate shower. Characterful leaded and stained-glass windows add charm and individuality throughout the home.

Outside, the property benefits from driveway parking, a single garage, established front planting and an enclosed, low-maintenance rear garden with patio and gravelled areas—ideal for relaxing or entertaining during the warmer months.

St Lawrence is a popular waterside village situated on the Dengie Peninsula, with its own stretch of shoreline known as St Lawrence Bay. A sea wall, reinforced during the 1990s, runs alongside the river and provides a scenic footpath from which to enjoy the surrounding coastal landscape. The village is particularly popular with watersports enthusiasts, with a sailing club positioned on the River Blackwater. Local amenities include a village shop incorporating a Post Office, two public houses and a restaurant. For a wider range of facilities, Southminster is approximately five miles away and offers further amenities together with a railway station.
