RARELY AVAILABLE TO THE MARKET

A rare opportunity has arisen to rent a prominently positioned unit in the heart of the Brunton Park shopping parade. The property currently benefits from planning permission for professional office use; however, the landlord is open to considering alternative uses such as retail or catering, subject to the tenant obtaining the necessary planning consents.

The unit is supplied with gas and electricity and is available immediately on a vacant possession basis. Additionally, a separate lock-up storage area to the rear is included within the rent, providing convenient additional space.
