

Claremont Road, Highgate, N6 5BY

£2,150,000

This splendid late Victorian house offers a delightful blend of traditional character and modern living. The layout has been thoughtfully designed, transforming what was originally a five-bedroom house into a spacious four-bedroom residence. This change has allowed for the creation of a large principal bedroom suite, providing a luxurious retreat for relaxation. This house is not just a home; it is a lifestyle choice, offering comfort, space, and elegance. These large semi-detached houses set along the middle of the road rarely come to market. This house is on the secluded inner circle of Claremont Road with views down the valley over private gardens. Conveniently located, close to the Parkland Walk and just a short walk from Highgate (Northern Line) Underground Station, buses and local shops.
