## OUTSIDE

Externally to the front elevation is a large tarmac driveway providing ample off-road parking, access to the integral garage and a mature front lawn with established trees and shrubs. To the rear is a beautifully landscaped and recently redesigned garden, arranged over multiple levels to create an impressive outdoor entertaining space. The garden features extensive timber decking areas, ideal for seating and dining, along with a contemporary pebbled feature section incorporating sleeper steps and raised planters with mature planting. A further raised decked seating area to the rear offers a private spot for relaxing or hosting during the warmer months. Fully enclosed and designed with low maintenance in mind, the rear garden has been finished to a high standard and makes excellent use of the space available.
