DEVELOPMENT LOCATION

Millers Green is a brand new housing development featuring stylish family homes finished with a natural slate roof and stone walls. The designs include contrasting finishes where appropriate and some of the stone features will be presented to match the surroundings of the village of Worsthorne. The location of the development provides superb views over the countryside and surrounding areas as well as access to village life but still very

close to the motorway network. It offers the best of both worlds – the opportunity to experience living in a bustling village community, with easy and quick access to city life too.
