A beautiful character filled period family home situated close to West Worthing mainline railway station and Thomas A' Becket school catchment area.

In brief, the accommodation comprises double glazed front door with glazed insert into spacious entrance hall with under stairs recess, bay fronted South facing lounge with arch opening onto dining room, and opening onto the modern fitted kitchen.

To the first floor is the landing with access to loft space, three bedrooms, and a modern family bathroom.

Externally, there is a front garden, and a feature rear garden which has been laid predominantly to lawn with gate giving rear access and two outside stores.

Other benefits include gas central heating and double glazing. The property was also re-roofed in 2025. In our opinion, internal viewing is considered essential to appreciate the overall size and condition of this lovely family home.

Situated in Bulkington Avenue, local shops can be found nearby, along with mainline railway station. Worthing town centre with its more comprehensive range of pedestrianised shopping facilities is approximately one mile distance.

Please call the vendor's sole agents to arrange a private viewing.
