A deceptively spacious and versatile detached family home with a useful brick built annex within the feature rear garden.

In brief the accommodation comprises UPVC double glazed front door into entrance vestibule opening onto spacious entrance hall with under stairs storage cupboard. There is a double aspect bay fronted lounge which could be utilised as a bedroom, two further ground floor bedrooms and a family wet room. There is a dining room with an arch opening onto a sitting room/conservatory with CosyRoof. There is a modern fitted kitchen, and stairs leading to the first floor landing where you can find two further bedrooms and a family bath and shower room.

Externally the front of the property is laid to brick block paving providing ample off road parking. The rear garden is a particular feature of the property being laid predominantly to lawn with patio areas and maturing tree and shrub lined borders. There are two timber sheds and a brick built garden room/annex with kitchenette, lounge and w/c.

Other benefits include double glazing and gas central heating. In our opinion internal viewing is a considered essential to appreciate the overall size and versatility of this family home.

Situated in Palatine Road, the property is ideally located with local shops nearby within close proximity to both Goring-by-Sea and Durrington-on-Sea mainline railway stations, and Worthing town centre with it's more comprehensive range of pedestrianised shopping facilities is approximately three miles distance.
