James & James Estate Agents are delighted to bring to the market this superbly presented and recently redecorated two double bedroom ground floor apartment in the highly desirable location of Grand Avenue.

In brief the accommodation comprises communal entrance with secure entry phone system into spacious entrance hall with exposed and polished herringbone block style flooring, floor to ceiling storage cupboard housing modern consumer unit and an additional shelved storage cupboard. There is a lounge/diner with focal fireplace and pleasing outlook from the French doors onto the communal gardens. The two double bedrooms both enjoy fitted wardrobes.

The kitchen is a particular feature of the property having been refitted to include an induction hob, integrated oven, extractor fan, and dishwasher, washing machine and fridge/freezer. There is a modern shower room and a separate W.C.

Externally there is a garage with a parking space adjacent. The communal gardens surround the property and are kept to a fantastic standard. Other benefits include gas central heating and double glazing. In our opinion internal viewing is considered essential to appreciate the overall size and condition of this beautiful apartment.

Situated in Berkeley Square, off Grand Avenue, the property is ideally located being close to West Worthing mainline railway station, the beach, Goring Road shops and Worthing town centre. Buses also serve the area.
