James & James Estate Agents are delighted to bring to the market this beautifully presented and greatly improved detached bungalow in this popular cul-de-sac location.

In brief the accommodation comprises spacious entrance porch with cloaks cupboard and a utility cupboard with a double glazed door opening onto the spacious entrance hall with engineered oak flooring and airing cupboard.

There is a feature double aspect lounge with focal fireplace and doors onto the West facing garden. The luxury refitted modern kitchen is a particular feature of the property with granite work surface, and a range of Neff and Bosch integrated appliances, and feature skylight and doors onto the landscaped West facing rear garden.

There are three good size bedrooms and a modern fitted shower room and a separate W.C.

The front of the property has been laid to brick block paving providing off road parking for multiple vehicles which in turn leads to a good size garage with up & over door.

The rear garden is a particular feature of the property having been landscaped with Indian sandstone and raised floral borders, and there is side access. Other benefits include gas central heating and double glazing.

In our opinion internal viewing is considered essential to appreciate the overall size and condition of this beautiful bungalow.
