Fun.

This is the word we would use to describe this substantial SEAFRONT PROPERTY. Configured over four floors and offering a two bedroom SELF CONTAINED FLAT In the lower ground floor section, the accommodation of this house is well suited to accommodate mixed generational living.

This property could potentially be arranged as a HMO subject to the usual planning consents.

In brief, the accommodation comprises; Entrance Hall, WC, South facing Lounge with SEA VIEWS ground floor bedroom (four) open plan kitchen & dining room. To the first floor there is the master suite with South facing balcony and en suite shower room, two double bedrooms and a family bathroom, the attic space can be approached via a pull down ladder with a roof lined window affording stunning coastline views.

The lower ground floor is currently arranged as a two bedroom self contained apartment with lounge, kitchen and a wet room. The apartment can be approached from different stair cases making it either integral to the main residence or with a private entrance affording is 'self contained' title.

Outside and general:

You can find a gin bar, timber cabin/gym, front and rear gardens with off road parking for two cars.

In our opinion internal viewing is considered essential to appreciate the overall size, accommodation and views of this exciting seaside home.
