James and James Estate Agents are delighted to bring to the market this substantial detached family home, situated in one of West Worthing's premier roads.

In brief, the accommodation comprises; Spacious entrance hall, lounge with beautiful outlook over the West facing landscaped rear garden, separate dining room, good size kitchen/breakfast room, utility with WC, two further reception rooms which can also be used as bedrooms.

On the first floor there are three double bedrooms and a modern bath and shower room and on the second floor there is a double and a single bedroom and a luxury refitted shower room.

Outside, the front garden has been landscaped with Indian sandstone, lawn, and a large gravel driveway leading to the garage with electric remote controlled up and over door with power and light and a personal door to the garden.

The West facing rear garden is a particular feature of the property being a good size and laid predominantly to lawn with inset sleepers and an Indian sandstone patio, HOT TUB! There is also a FEATURE garden studio with underfloor heating, a butler sink and separate WC.

This property is ideally suited for co-generational living or for a growing family. In our opinion internal viewing is considered essential to appreciate the overall size, condition and flexibility of this beautifully presented family home.
