James & James Estate Agents are delighted to bring to the market this versatile detached bungalow situated on a corner plot in the popular lower Salvington area.

In brief the accommodation comprises spacious entrance hall, two ground floor bedrooms with the master bedroom boasting an en-suite, a modern fitted ground floor family bathroom, fitted double aspect kitchen with undermount sink, feature double aspect lounge with focal open fireplace, stairs to first floor with another good size bedroom and an en-suite W.C. boasting far reaching views.

The property is situated on a corner plot with the majority of the garden being South facing and laid predominantly to lawn with areas of decking and mature tree and shrub lined borders.

There is a beautiful full width UPVC double glazed conservatory, and other benefits include gas central heating. In our opinion internal viewing is considered essential to appreciate the size and versatility of this detached home.

Situated in Ivydore Avenue, local shops can be found nearby at Salvington. The nearest mainline railway station is Durrington-on-Sea giving great links to most major towns and cities, and a regular bus service also passes.
