With no stone left unturned and the attention to detail being 'on point', we are delighted to bring to the market this exceptional detached four bedroom family home offered for sale in this quiet cul-de-sac position, having been completely modernised by the current owners.

In brief the accommodation comprises double glazed front door into spacious entrance hall, with contemporary ground floor cloakroom, a feature lounge with focal fireplace, and shutters at the window, and an arch opening onto the beautifully appointed Alexander kitchen featuring an induction hob with inset extractor, a range of integrated appliances, and a Quooker mixer tap with a range of Silestone work surface with undermount one and a half bowl/drain/sink unit. There is also a passenger lift giving access to the first floor.

There are sliding doors opening onto the refurbished conservatory with insulated roof and French doors leading onto the beautiful landscaped rear garden.

To the first floor there are four bedrooms with the master bedroom boasting a contemporary en-suite shower room, whilst bedrooms one, two, and four have a range of fitted wardrobes. There is a beautifully appointed shower room, and access to the loft space.

Externally the front of the property is laid out artificial lawn for ease of maintenance. There is off road parking and double gates, which lead to the landscaped rear garden where you will find a timber cabin arranged as a gymnasium, and the garage has been sub divided into two sections with storage at the front and an activity space to the rear.

Other benefits include double glazing and gas central heating, and in our opinion internal viewing is considered essential to appreciate size and condition of this beautiful family home.

Situated in Glebeside Close, the property is ideally located for Thomas A Beckett schools, whilst the nearest mainline railway station is West Worthing giving great links to most major towns and cities. Buses also serve the area.
