A well-presented two double bedroom first floor apartment located in the popular area of Goring-by-Sea. St Richards House is a small, modern development, discreetly positioned and accessed via a private driveway set back from the main road.

The apartment is presented to an excellent standard throughout. The spacious living room, measuring over 20ft in length, is particularly bright and airy, benefiting from double-aspect windows and double patio doors opening onto a south-facing Juliet balcony, allowing plenty of natural light to flood the room.

Further accommodation comprises two double bedrooms, both featuring built-in wardrobes, a modern tiled bathroom with shower, and a contemporary fitted kitchen with breakfast bar. The kitchen is fully tiled and fitted with modern units and integrated appliances including an oven, hob, dishwasher and washing machine. A new Worcester boiler installed in Sept 2025 with Hive controls.

Externally, the property is set within well-maintained communal gardens and benefits from its own allocated parking space, along with additional visitor parking.
