An exceptional character filled three bedroom period apartment boasting many original features.

In brief the accommodation comprises private entrance with wide staircase, leading to the first floor with double doors opening onto a spacious landing, with two large storage cupboards and access to loft space.

The double aspect bay fronted lounge is a particular feature of the property with a focal fire place.

There are three good size bedrooms with a balcony off bedroom three. The kitchen has been refitted and boasts a door and fire escape to the courtyard gardens. There is a modern fitted family bathroom and an allocated parking space.

Other benefits include gas central heating, high level skirting, and decorative picture rails. In our opinion internal viewing is considered essential to appreciate the overall size and condition of this three bedroom property.

Situated in Lansdowne Road the property is ideally located betwixt Worthing town centre and Goring Road shops. The beach is also close by, and the nearest mainline railway station is West Worthing giving great links to most major towns and cities.
