This exceptional plot presents a rare and exciting opportunity for anyone who has ever aspired to design and build their own home in the highly sought-after Ferring Village. Planning permission has been granted for an attractive detached chalet-style bungalow that has been thoughtfully designed to offer modern, versatile living. The proposed layout includes three well-proportioned bedrooms and three bathrooms, ensuring ample accommodation for families, visiting guests or those seeking additional space for a home office or hobby room. The approved plans also incorporate a spacious open-plan living area, making the most of natural light and creating a sociable environment ideal for contemporary lifestyles.

The plot benefits from a desirable South-facing rear garden, offering excellent potential for landscaping, outdoor entertaining and enjoying the sun throughout the day. To the front, there is provision for off-road parking, a valuable feature in this popular residential location. Ferring itself is well regarded for its peaceful atmosphere, community feel, local shops, cafés and easy access to both the seafront and surrounding countryside, making it a wonderful place to create a bespoke home.

The land is being introduced to the market for a limited period to allow all interested parties a fair opportunity to submit their offer. Due to anticipated levels of interest, we kindly request that all offers are submitted in sealed form by the closing date. Buyers will be required to provide proof of funds or written confirmation from their solicitor demonstrating their ability to proceed. This will help ensure a smooth and transparent process for all parties involved.

A successful purchaser will be selected and notified on Friday 19th December 2025.
