A superb, well stocked feature rear garden complements this beautifully presented and extended semi-detached home in favoured South Goring.

In brief, the accommodation comprises enclosed entrance porch into spacious entrance hall with under stairs storage, and ground floor WC. The bay fronted lounge boasts an inset gas living flame fire which opens onto a well configured kitchen/diner incorporating a breakfast bar, and being double aspect with a range of integrated appliances. There are sliding doors onto a UPVC double glazed conservatory, which in turn leads to the feature garden.

There are stairs that rise to the first floor landing with access to loft space via a pull down ladder. There are three double bedrooms with the master bedroom boasting full length fitted wardrobes. Complementing the bedrooms is a modern fitted bath and shower room.

Externally there is off road parking and a driveway which leads to the garage with up & over door. The rear garden as previously mentioned is a particular feature of the property, with Indian sand stone patio, an ornate fish pond, further areas of patio, and a profusion of well stocked tree and shrub lined borders.

Other benefits include gas central heating and double glazing. In our opinion, internal viewing is considered essential to appreciate the overall size and condition of this beautiful home.

Situated in Nutley Crescent, local shops can be found nearby at Mulberry Parade which cater for everyday needs. Sea Lane Cafe along with Goring Beach and Greensward is just a short walk away. The nearest mainline railway stations can be found at both Goring by Sea and Durrington on Sea, which give great links to most major towns and cities.
