A beautifully presented and well extended detached bungalow in this popular residential area forming part of Ferring Village.

In brief, the accommodation comprises enclosed entrance hall with floor to ceiling, storage cupboard, into double aspect bay fronted lounge with focal fireplace and living gas flame fire. There are two double aspect bedrooms with bedroom one having a bay window, and bedroom two giving access to the rear garden. There is a luxury fitted family bathroom with WC and wash hand basin inset to vanity unit. The kitchen is a particular feature of the property with an archway opening up to the conservatory with French doors opening onto the stunning rear garden.

The front garden is arranged to provide off road parking, and the rear garden is half laid to artificial lawn, the other half is real lawn. There is brick block paving providing paved areas, and footpaths to the garden cabin which measures internally to 23 foot in length. There are also pleasing views towards Highdown. Other benefits include gas centre heating and double glazing. In our opinion, internal viewing is considered essential to appreciate the overall size and condition of this beautiful bungalow.

Situated in Langbury Lane, local shops can be found nearby in Ferring Village which cater for everyday needs. Asda superstore is also close at hand. The nearest mainline railway station is Goring-by-Sea, which gives great links to most major towns and cities. Regular buses also serve the area.
