Fairview Road, Stevenage

A beautifully presented 1930s bay-fronted semi-detached home, offering an impressive, private rear garden of approximately 150ft in length. Conveniently located within easy walking distance of the mainline railway station, New Town Centre, and the Historic Old Town High Street, this property blends period charm with modern enhancements.

The home has been thoughtfully updated, featuring a loft conversion that creates a spacious fourth bedroom with a contemporary en-suite shower room, alongside a refitted open-plan kitchen/breakfast room designed for modern family living. Character features are retained throughout, including exposed floorboards, original stripped doors, elegant bay windows to both the lounge and principal bedroom with curved radiators, and a selection of leaded stained-glass windows. Additional practical benefits include hardwood double-glazed windows in specified areas, gas central heating, and bespoke oak built-in furniture to the dining room and two bedrooms.

Accommodation comprises an entrance porch, welcoming reception hallway, cloakroom/WC, lounge with feature fireplace, separate dining room with feature fireplace, and open-plan kitchen/breakfast room. The first floor provides three well-proportioned bedrooms, two of which are particularly generous, and a four-piece family bathroom. The loft conversion on the second floor offers the fourth bedroom with modern en-suite facilities.

Externally, a recently re-laid driveway allows off-road parking for at least three vehicles and includes an electric vehicle charging point. Viewing is strongly recommended to appreciate the blend of period character and contemporary upgrades.
